## 11 ITEMS THAT WILL ENHANCE YOUR OUTDOOR SPACES

BY THE SCOUT GUIDE *April 24, 2020*

From creating at-home workspaces to figuring out areas where we can enjoy a bit of privacy, we've all adapted our homes in some way over the past few weeks. For those who have outdoor spaces, chances are, you've been thinking about ways to make those more beautiful and functional, too. With spring in full swing, we spent some time Scouting elements that will elevate any backyard area. From gorgeous planters to essential tools to heirloom seeds, these items are sure to enhance your garden for years to come.
